NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

THE SECRETARY of the ADMIRALTY,
(Editor of the Navy List) London, S.W.1,

mentioning the ship or page affected.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

The names of Officers on the Retired, &c., Lists, appear only in the February and August issues of the Navy List. The Contents Table for the Retired List appears immediately before the Index to Officers on the Retired, &c., Lists.

The rates of pay, regulations, &c., are contained in a separate publication entitled "Appendix to the Navy List," which appears in June and December.

The names of Temporary Officers of the Royal Navy, Royal Marines, Royal Naval Reserve and Royal Naval Volunteer Reserve who have been granted permission to retain their rank, with the right of wearing uniform on State and other occasions of ceremony, are not included in the Navy List.

No appointments made after the 18th of the month preceding publication can be inserted in the NAVY LIST until the following List is published.

Officers on the Retired List are required to report their private permanent addresses and any changes therein to the appropriate authorities, as laid down in the regulations for Officers on the Retired List (*see Appendix to the Navy List*). If they are not drawing retired pay or pension, they should also report themselves by letter annually, on or shortly after the 1st January, to the Secretary of the Admiralty, or to the Adjutant-General, Royal Marines (for R.M. Officers), in order to ensure that their names are retained in the Navy List.

Officers on the Emergency List, Officers of the Special Reserve of Engineer Officers, and Special Reserve, Royal Marines, and Officers of the late Royal Naval Artillery Volunteers must similarly report their addresses annually.

Retired and Honorary Officers of the Royal Naval Reserve are required to report periodically as laid down in the R.N.R. (Officers) Regulations.

Retired and Honorary Officers of the Royal Naval Volunteer Reserve are required to report their addresses annually, on or shortly after the 1st January, to the Admiral Commanding Reserves.

It is particularly requested that all Officers whose names appear in the Retired Section of the Navy List and who are not drawing retired pay or pension should leave instructions that, in the event of their death, the fact is to be reported to the appropriate authority as indicated above.

The removal of an Officer's name from the Navy List in consequence of failure to report does not involve the termination of his commission or relieve him of the liability for service, if required when Retired, Emergency or Reserve Officers are called out in time of war or emergency.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of the Degrees held but, generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer and degrees which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.

By command of their Lordships,

R. H. A. CARTER.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 126 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(a) If, from any circumstances, the Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(b) If the number of persons belonging to the Naval Forces or Naval Reserve Forces specified in the Admiralty Regulations on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number is caused by death, sickness, desertion or joining a British Man of War, or by some unavoidable casualty.

(c) If it should be found that, although the ship is provided with an Admiralty Warrant, the above Regulations are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report, to the Admiralty if the Commanding Officer is on the Retired List of the Royal Navy and to the Registrar General in all other cases.

(d) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty or Registrar General of Shipping and Seamen as the case may be.

President : THE COMMANDER-IN-CHIEF, PORTSMOUTH.

THE object of the Home is to provide primarily for the fatherless and/or motherless children of those below Warrant Rank serving or who have served in His Majesty's Navy or Royal Marines.

If accommodation is available to receive the children of men below Warrant Rank serving or who have served in His Majesty's Navy or Royal Marines when very special circumstances render this desirable in the interests of the children.

To give the children a useful and religious education according to the principles of the Church of England, and to support and clothe them. To train the girls for such occupation as the Directors deem advisable. To give appropriate training and equipment to the boys.

In selecting children for entry each case will be considered on its merits. As a general rule fatherless children will be deemed to have first claim.

In every case the Directors will determine according to the circumstances of the case whether a contribution is to be made by the parent or guardian to assist in the maintenance of the child and what the amount of the contribution shall be.

In the Home there is accommodation for 100 girls, these are eligible for admission between the ages of 7 and 11 years. There is also accommodation for 30 infant boys and girls between the ages of 4 and 7 years.

The girls are under the guidance of a capable Matron, assisted by properly qualified instructresses ; between the ages of 14 and 16 they are subject to a course of domestic training in the Home, unless they have qualified for the Secondary School course, when their schooling is continued, and every girl who shows a particular aptitude for any special subject is given facilities for pursuing her studies at the Municipal College.

Boys over the age of 7 years are sent to the Swanley Home in Kent, where they are maintained and educated until they reach the age of 14. Suitable boys who wish to go to sea are retained there until they are 16 and given special education and facilities for entering the Mercantile Marine as apprentices.

Accommodation for 71 boys, maintained by the funds of the Home, is available at Swanley.

The Directors depend upon voluntary contributions for funds to carry on the Home ; the number of children they can receive is governed by the amount of pecuniary support given. They therefore confidently appeal for help in carrying on and extending these works of usefulness, rescuing from want and misery, and educating and rendering fit for a useful and happy life the children of those who have served their Country, and who in many cases whilst thus engaged, have lost their lives in war or by shipwreck or illness.

Visitors are cordially invited to view the Institution, which is open daily for inspection from 2 p.m. till 6 p.m., Sundays excepted.
